SUMMARY

Skilled in creative audio and video projects, produced countless hours of This Might Be A Radio Show, provided technical consultation for Valiantly Off Balance, and later wrote a lot of content. Experienced in office programs and computer systems. During freelance, made videos for clients of non-profit organizations.

EXPERIENCE

QUALITY CONTROL TECHNICIAN – GEORGE BLOOD, L.P.

FORT WASHINGTON, PA – NOVEMBER 2021-PRESENT

Led inspection of digitized audio and video cassettes, reels, film, and recovered data, delivering 150+ pieces of media a day alone. Also assisted in metadata, cataloging, video trimming, editing, and donations that were shipped to the company.

TECHNICAL CONSULTANT/PRODUCER – VALIANTLY OFF BALANCE

REMOTE, NJ – SEPTEMBER 2021-PRESENT

Led discussions with hosts of the podcast MASHmouth, about the 1970's sitcom MASH, on the podcast's editing quality and suggesting changes as well as assisting with editing and publishing. Have also edited and self inserted in several episodes. Creator and producer of This Might Be a Radio Show from 2016-2022.

DIGITAL SPECIALIST – HEART TO HEART ORGANIZATION

REMOTE, NJ – MARCH 2021-NOVEMBER 2021

Provided audio and video editing for social media pages, programs, and podcasts for this non-profit sharing mindfulness practices and Nonviolent Communication with people affected by incarceration. Used Adobe Premiere Pro to create Storybook Video for the organization, with immediate recognition and presentation in schools outside the organization's scope.

EDUCATION
